Sucha Beskidzka

W dniach 25-29 kwietnia 2022 uczniowie LO nr I w Suchej Beskidzkiej wzięli udział w wymianie ze szkołą w Niemczech. Odbyła się ona tym razem w nietypowej formie – związanej oczywiście z przeszkodami spowodowanymi przez Covid-19. Spotkania odbywały się online, za pomocą platformy Google Classroom.

Opiekunkami wymiany są Magdalena Pochopień, Jadwiga Sobczuk, Anna Palcar.

Mimo że chodzimy do jednej szkoły, to jednak nie wszyscy się znamy. Najpierw więc – integracja i ...pizza 😊

Pierwsze wspólne zajęcia ...

Uczniowie stworzyli mieszane, polsko-niemieckie grupy, poznając się i pracując nad różnymi zagadnieniami. Oczywiście opowiadali i pokazywali szkołę, porównywali system edukacji w Polsce i Niemczech, plany lekcji i zajęcia pozaszkolne, ilość wolnych dni (!), skalę ocen itp.

Sports at school in Poland

- In PE lessons at school, we mostly play volleyball. Everyone likes to play it and it is a fun sport. Sometimes we play handball or soccer. In addition to PE lessons, we also have SKS lessons where we play various games. These are after school activities. SKS is not compulsory. We also have a swimming pool and a school swimming section run by my tutor.

Places we spend our freetime:

Kli

Amici Beach (cable park)

Cheetah (Disco)

Typical german afternoon:

Afternoon: homework, snack, meeting with friends, wakeboarding (Amici Beach)

Evenings: Going in the club with friends (especially friday), drinking wine, hobbies like sports, theater or music, the germans like to eat in the evening

Typical food: Beer (we have many breweries destinated in, for example, cologne), "Wiener Schnitzel"

Stereotypes: We have some stereotypes but it always depends on the state. For example "Currywurst" was invented in our capital city, Berlin

W trakcie kilku spotkań można było dowiedzieć się naprawdę dużo o sobie nawzajem. Każda grupa wybierała trzy atrakcje/zabytki dla danego tematu i opowiadała o nich swoim partnerom. Podczas prezentacji niemieccy studenci opowiadali, czego dowiedzieli się o polskich atrakcjach/zabytkach, a polscy – o niemieckich.

- Moje miasto – atrakcje turystyczne
- Moje miasto – oferty czasu wolnego
- Stolica regionu – propozycje zwiedzania
- Atrakcje w naszych rejonach i regionach
- Za granicą, ale blisko (co warto zobaczyć za naszą bliską granicą: Słowacja/Holandia)

Babia Mountain

Generally we live in mountains and main attractions in our region are mountains. The highest one is "Babia Góra" (Babia Mountain). It is in Zawoja village and has got 1725 meter high. We also have "Babiogórski National Park" around there

Burg Wassenberg

Burg Wassenberg:

Wassenberg Castle is one of only three hilltop castles on the Lower Rhine next to Klevve and Liedberg. The parts of the hilltop castle within the city wall that have been preserved today are almost all date from 1420.

Attractions in Slovakia

Tatralandia - aquapark

Aquapark located in northern Slovakia. It is the main center of water sports in Slovakia, also popular with Poles. It is open all year round. It also has many facilities characteristic of standard amusement parks, incl. a congress center and a life-size Westerncity with an amphitheater where a cowboy show takes place.

Attractions in Netherlands

1. Roermond

It's a beautiful city which is located near to Germany. There's about 45 thousand inhabitants. Roermond's museums displays an imaginative range of contemporary and historical fine art:

Cuypershuis Roermond (picture 1)

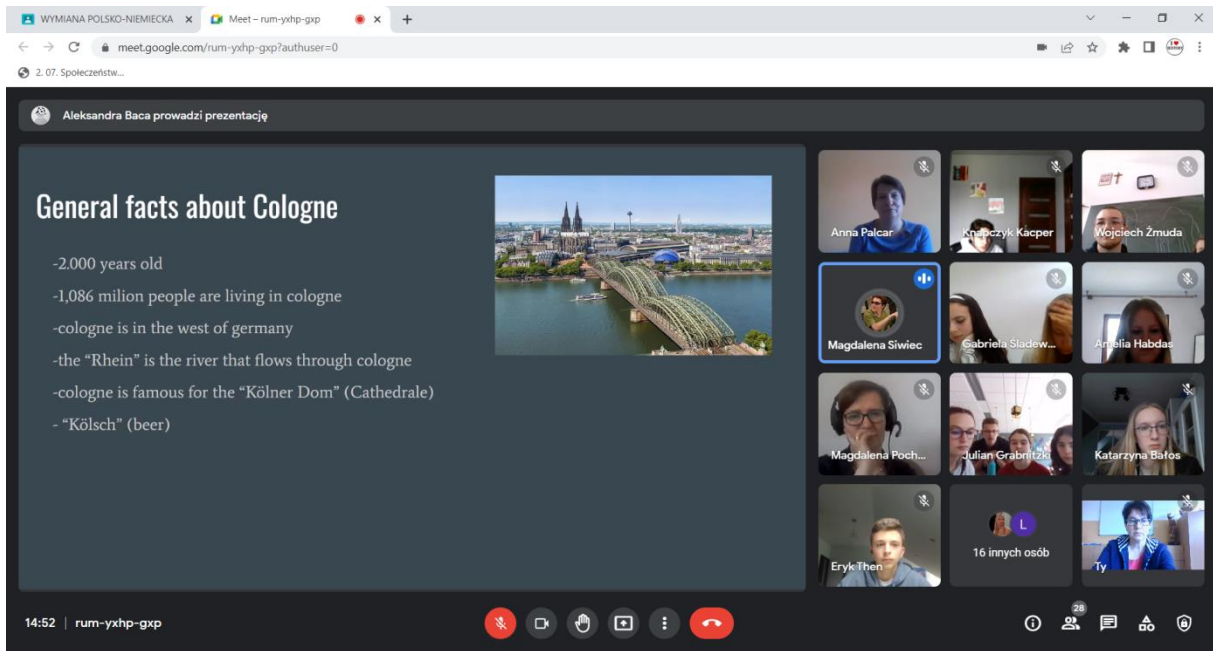

The City History Collection (picture 2).

Many special events take place outdoors during the summer months, such as the "Bevrijdingsfestival Limburg", the "Sjommelmert" flea market and the "Taptoe" military marches parade.

Ostatni dzień przyniósł wiele emocji – jak zawsze, gdy w grę wchodzi trochę rywalizacji 😊. Ale wiedza nabyta w trakcie spotkań robiła wrażenie.

Spytaliśmy też oczywiście uczniów o to, jak podobała im się wymiana w takiej formie. Właściwie wszyscy byli zgodni – było warto zobaczyć i poznać się w ten sposób, ale czekamy na spotkania w naszych szkołach!
